

Boss-Stranded Starspine

Based On BossAIToolKit

Consists of 1. DT_SamplePhases 2.BP_Boss_StrandedStarSpine 3.Character BP

DT Sample Phase

<https://www.youtube.com/watch?v=tqJTwjMmW2Y>

(Bullet Projectile has possibilities of being blocked by Mesh collision, tweak in physics asset)

For Animation notify, make sure notify_damage state is long enough to allow animation to play

Boss BP

Change Health/Phase In Component: Boss Behavior

image-20250505-010718.png

Character BP

Add BPC_Status Effect Component for crowd control and debuff
